

Introduction into Geographical Information Systems (GIS)

Dr. A. Haas, AWI

Antonie Haas offers two different dates for a three-day introductory course in 2014. More courses (incl. Potsdam, Helgoland and Sylt) can be arranged upon request.

Dates in 2014 March 24 – 26, 2014, AWI Bremerhaven
December 1 – 3, 2014, AWI Bremerhaven

Location: rooms to be announced

Language: English

POLMAR credit points: 3

Registration: antonie.haas@awi.de

Course content:

This course offers an introduction into ESRI ArcGIS 10.0. The course covers fundamental GIS concepts as well as how to query a GIS database, manipulate tabular data, edit spatial and attribute data, and using maps. Beside others, participants learn how to use ArcMap, ArcCatalog, and ArcToolbox and how to manage their own data.

Target group:

Beginners with no or little GIS experience who are planning to work with ArcGIS 10.0 during their PhD project. Participants should bring their own data sets.

Pre-requisites:

Laptop computer
